STILL LFT 23 FEB

Sir,

With reference to Memo No 2076/42 dated 20th January 1943 forwarding the copy of letter from the Secretary to Government, Law Department calling for certain information regarding the Mutton Stalls and slaughter House in this Municipality, I beg to state that the Bye-laws relating to the conduct of business in the slaughter House are sanctioned by Government in their order No L 5881/M1 23-29-92 dated 5-2-1930 and they are in force in this Municipality since then Sheep, goat, bullocks, cows and baffalos are being slaughtered in the slaughter house and the collection of slaughtering fees is auctioned annually The town Sanitary Inspector was supervising over the slaughter house and meat stalls and there were frequent complaints from the public regarding the quality of the meat put on the market and the Municipal Council decided to request the Local veterinary Inspector to inspect the animals to be slaughtered and also the meat put on the market for sale

Further, I beg to state that there are ten Mutton stalls, the right of selling meat in the stalls is auctioned annually and the averege income from all the stalls is Rs 500/- The Bye-laws relating to the sale of meat in the stalls in this Municipality is sanctioned by Government in their order No I 6279/ dated 24-2-1930 and they are in force in this Municipality The Income from the slaughter House is about 300/- per year on the averege

As there are many residents in this Municipality and also

in the Railway Colony who consume meat it was found necessary to entrust the work of examining the animals to be slaughtered and also the meat put on the market for sale by a qualified veterinarian

Under the circumstances I beg to request that the sanction of the allowances to the veterinary Inspector may be caused to be accorded early to the resolution of the Municipal Council for the payment The connected previous records are herewith submitted for taking early needful action in the matter.
